A Washington corporation  
Plaintiff,

Barry Russell, an individual  
Defendants,

Case No.: C08-5433RBL

Motion for continuance

**I. MOTION FOR CONTINUANCE**

Comes now Barry Russell as Trustee of Provident Co Trusts, and individually, and states the following:

1. I need additional time because it was not proper for the motion of Attorney Westbrook to be approved.
2. I did not and do not agree to the Westbrook withdrawal. He did not have my consent to the withdrawal, despite what he told the court.
3. I found out about his Motion to Withdraw the day it was approved, by way of his e-mail, and I had no time to respond.
4. I have not obtained counsel as yet and need time to do so.
5. There are critical time deadlines, which I am unable to address without proper counsel.
6. I request a continuance in order to obtain counsel.

WHEREFORE, I respectfully request a continuance of this case, and for all other just and proper relief. This motion is made, not for purposes of delay only, but so that justice may be done. I affirm under the penalties of perjury that the foregoing representations are true.

Respectfully submitted this 26th day of May, 2009.

Barry Russell
